FTD7 7 Day Digital Timer

7-day programmable digital timer, 15A
Item Number: 49792
Variant: 120V 1~ 60Hz

The FTD7 timer incorporates a LCD (liquid crystal display) which accurately displays the time of day in an AM/PM format. There are 8 possible "on/off" combinations that can be programmed. For security purposes, the timer has an additional feature that allows for a random variation of 2 to 32 minutes for each "on" and "off" time from the actual time programmed.
